# DIGITAL HISTORY ISSUES AND TOOLS

MONDAYS, 2:25-4:55 PM, IN THE DESIGN LAB (H.C. WHITE)

How do digital tools affect historical research ?

What is 'big data' anyway ?

What might a digital dissertation look like?

Could digital tools enhance your research?

- Hands-on introduction to digital tools
- Explore blogs and try your hand at blogging
- Launch an individual project  
e.g., a professional website, theory comix or  
infographics for use in teaching, data  
visualization, and more
